Subject: Re: Draft Agenda for EPA/DOGGR/Water Board UIC meeting - Update requested

I reached out to Steve and Jon Bishop to let them know we want to talk about prioritization of project reviews, and that a helpful starting point would be to hear their plans/ideas. Steve responded to the effect that they are working on that. So we will see how fully formed their plans/ideas are. I would not expect a spiral bound document.

Hi David,

It is not clear to me from this agenda (and a few others I've spoken to this am), if DOGGR has been pre-notified that a plan for prioritization of project reviews is expected by EPA tomorrow. Since we are all in different places and we are meeting first thing, if you could bring us up to speed on anything that's updated since we all met Tuesday afternoon that would be appreciated. From the agenda it's not clear to me they are coming to the meeting with anything prepared.
